We find you can bring out the beauty of your hair to its very best advantage by washing it with Canthrox. It makes a very simple, inexpensive shampoo, which cleanses the hair and scalp thoroughly of all the dandruff, dirt and excess oil, leaving a wonderfully clean, wholesome feeling. After its use, you will find that the hair dries quickly and evenly, is never streaked in appearance, and is always bright, soft and fluffy; so fluffy, in fact, that it looks more abundant than it is, and so soft that arranging it becomes a pleasure. Just use a teaspoonful of Canthrox, which you can get from any good druggist, dissolve it in a cup of hot water; this makes a full cup of shampoo liquid, enough so it is easy to apply it to all the hair instead of just the top of the head.—Adv't.

advice gates and let out a flood of bills to help their Democratic friends in the House, who have been supplying them with votes to put through measures of political importance to the majority party.

One of these is the bill repealing the Rural School Law and giving towns State aid for school purposes. Sweeping aside obstructive rules, the Senate passed the measure.

The Senate also swept to the order of final passage the bill of Senate Leader Wagner, which sets aside the "pay-as-you-go" Law during the war by permitting New York City to borrow on long-term securities about \$15,000,000 for certain public improvements.

Another bill let out of committee by the managers provides about fifty good jobs for Tammany Democrats in New York City as corporation inspectors.

The proposal of Democratic Leader Wagner for the appointment of a commission to investigate the minimum wage for women and children workers was given its death blow in the Senate. Wagner's motion to rescind the bill from committee was defeated.

The work of both Houses was speeded up by adoption of a resolution fixing adjournment at noon, April 13. The number of bills reported by the Senate committee and advanced to third reading numbered about 100.

The Assembly cleared a long calendar, devoting about two hours to a fight over the Sunday Moving Picture Bill. The measure on the first roll call was beaten by one vote. A reconsideration of the vote and a second roll call produced 75 votes, the exact number needed to pass the bill. It now goes to the Senate, where it is likely to go through.

13 WOUNDS CAN'T STOP AN "OLD 69TH" FIGHTER FROM "GOING OVER TOP"

CORP. A.C. TRAYER

Corpl. Trayer Writes From Hospital He's "Going Back to Trenches" Soon.

To-day the first details are given of how the first man in the old "69th 99th" to be wounded, Corpl. Trayer Jr. of Company D, 168th Infantry, went over the top.

Not only was he the first of the Rainbows to be hit, but it was through his name that the first news came of the former 69th having been in action. He was wounded thirteen times by shrapnel and a piece that lodged in his skull is still there.

"I am going back into the trenches before long," he writes to his father, which is a fair sample of the spirit of "our boys."

He is the son of Arthur C. Trayer sr., a veteran of the Civil War, who lives at Freeport, L. I. He has also written from a hospital in France to his sister, Mrs. Fred Menke, No. 930 St. Nicholas Avenue.
